Aluminium Dog Boxes

„Dog boxes from **GLA-WEL?**
– Because safety matters!“

Products

GLA-WEL manufactures high-quality, safe dog boxes from aluminium in a standard design (**basic models**) or made-to-measure for almost any type of vehicle. Delivery time: approx. 3–5 weeks after manufacture is approved in writing (basic models: 5–10 working days).

- **Basic models** from existing stock: single-berth box, double-berth box
- **Made-to-measure** dog boxes
- Vehicle outfitting, bodywork, multiple-box installations
- Mobile flight boxes
- Veterinary and animal-rescue boxes
- Boot guards
- Accessories: boot lid positioner, rubber mats, attachable hanging bowl

▪ Double-berth box with storage frame for VW Caddy

▪ Dog transport box with drawer for Landrover Defender

▪ Renault master equipped with transport boxes

Quality

High-quality materials in a functional, robust, low-noise design – even in the standard models.

- Maximum safety thanks to a welded aluminium body in a stainless-steel frame
- Doors, hinges, locks and screws all made of high-quality stainless steel (1.4571)
- Removable partition wall (double-berth box)
- Surface is powder-coated and therefore hygienic, easy-to-clean and bacteria-resistant
- Escape flap to vehicle interior
- Doors can be locked at all times
- Forced ventilation
- Choice of colours (standard RAL colour range)
