The DOG-Sport Dog Trailer

Once a **DOG-Sport** –
always a **DOG-Sport**!

Once a DOG-Sport – always a DOG-Sport!

DOG-Sport dog trailers are manufactured by hand in limited production runs and according to personal consultations with our customers. Delivery time is approx. 14–16 weeks, after production has been approved in writing and after reception of down payment.

The DOG-Sport quality criteria

- Safe road performance
- Maximum safety is ensured by fully welded frames made of special aluminium profiles and welded interior doors from stainless steel
- Materials with optimum hygiene properties
- Chassis, shock absorbers and tyres from tested, brand-name manufacturers
- Forced ventilation
- Walls powder-coated in white, similar to RAL 9010, leaving them impact-resistant, odour-neutral and bacteria-resistant
- Screws and hinges made from stainless steel
- Very easy to operate
- Lettering service offered by our advertising technology team

• DOG-Sport 4TB-D
